

E[®] Canyon

CHS-3A
PCR

Tested and Compatible

The CHS-3A PCR incorporates PCR housing, which has been fully tested to ensure the same great performance and compatibility Canyon guarantees and delivers with all its products.

Sustainably Sourced PCR Material

We have secured material supply from locally sourced suppliers, in an attempt to reduce the CO2 emissions from transport vehicles.

In Line with Government Guidelines

Our sprayers and manufacturing processes are fully compliant with current government legislation. We only offer PCR sprayers manufactured with a minimum of 30% PCR material.

Durable Materials

With the same strength and durability, the CHS-3A PCR guarantees performance up to 50,000 strokes, making it the perfect sprayer for reliability.

Versatile Functions

Adjustable nozzle allows rapid spray configuration from 0-60° spray angle to suit every application.

CHS-3A PCR Specification

Output

1.1cc \pm 0.2cc

PCR%

30-35%

Total Weight

35.75g
